

## Woofster Finds a Home on *Super WHY!*

A new schedule begins Labor Day, September 5<sup>th</sup>, as kids go back to school — please check the schedule on the right for the details so your child doesn't miss any of his or her favorites!

Also this month, *Sesame Street's* 42nd season premieres, and on *Super WHY!* a whole new season of episodes takes flight —with a new character.

In the first episode, Wyatt goes to a pet adoption fair in Storybrook Village where he meets a little puppy who needs a family. Wyatt promises to look in a book to help, until the puppy reveals he has a story of his own. As the superhero readers travel through the book *Woofster Finds a Home*, they find exciting ways to overcome obstacles, learn what it means to find a home, and welcome a new super reader to the team!
