

ACTIVITY GUIDE

Minneapolis Guitar Quartet – Musicians:

Writing/Essay/Journal

The Minneapolis Guitar Quartet doesn't just play classical music. They play many different styles and they never get bored. What types of music do you listen to? What do you think your choice in music says about you?

Activity

Guitarist Steve Newbrough says that he likes the beginning of the song, Minnesota Winter, because it sounds just like snow falling. Create your own music that sounds like another kind of Minnesota weather.
