

**ACTIVITY GUIDE**

## Tom Schroeder - Animator:

### Writing/Essay/Journal

Tom Schroeder states that "my life was an accumulation of things that don't work out". Write about your real life experience when things didn't work out. Art aspires to help people see their lives in a new way. How does Schroeder's work accomplish this goal?

### Activity

Using the narrative you wrote, sketch your story and perhaps improvise music to accompany it. If possible, share it!
