

ACTIVITY GUIDE

Oleg Vassiliev – Painter:

Writing/Essay/Journal

Oleg Vassiliev's paintings combine the precise detail of real life with the spectral flow of light. He experiments with different ways of representing pictorial space through the use of warm and cool colors. Select one of his pieces that was highlighted on the video and describe his use of light and depth.

Activity

Using watercolors, paint a realistic picture, experimenting with warm and cool colors. What mood does each palette create?
