## Southside Desire – Neo-soul Band

### Writing/Essay/Journal

Lead singer Marvel Devitt of Southside Desire sings about a past relationship and her dreams for love, a home and a family. Write about a hope you once had. Have you been able to realize that dream? Have you been disappointed? Or is your hope or dream so far off in the future that it could still come true?

### Activity

Think of a dream or goal you have for the future. Outline some steps you must take to reach it. Take those first steps.
