

ACTIVITY GUIDE

Timotha Lanae – Musician and Actor

Writing/Essay/Journal

Timotha Lanae wrote her musical, *REDdington*, so she could play her dream role, Eva Reddington. She wanted to challenge herself as a singer, actor and dancer, while also telling the story of her family.

Write your own dream character and include the following elements:

The character's name, the character's back story, three strengths of the character, one flaw of the character, and one hurdle that the character must overcome and how they overcome it. (This is a *dream role*—it can be as fictional or fact-based as you'd like!)

Activity

Timotha worked on *REDdington* under the guidance of veteran musician J.D. Steele. Identify a project you've wanted to accomplish for a long time and find a mentor who can help you achieve that.
