## Activity

- 1) Watch the segment and discuss:
  - a. How does Alyssa Baguss use space to activate art?
  - b. How does her experience as an artist inform her day job?
  
- 2) Create your own themed event.
  - a. Choose something about the group to celebrate. It could be the end of the year party, a success on an exam etc.
    - i. Make a list of what you think is at the essence of the celebration.
    - ii. What are group activities that play on the ideas on your list?
    - iii. How can you activate your space to make the celebration more dynamic?
