WILD KRATTS ALASKA: HERO’S JOURNEY

While creature adventuring in Alaska, one of Aviva’s inventions falls overboard and attaches to a sockeye salmon — jumpstarting a wild chase upriver through the wilderness. The Wild Kratts track the incredible salmon run — a quest fraught with obstacles and amazing creature connections around every bend. And join the Kratts brothers in the evenings, starting Sunday, July 23, for Wild Alaska Live, part of the Summer of Adventure happening now through August! See page 2 for more information.
